10TH FEBRUARY 2026

TO INVICTUS PROPHETIC GLOBAL

RE: ACKNOWLEDGEMENT OF RECEIPT OF FUNDS

Greetings in the Name of Our Lord Jesus Christ.

I write to acknowledge receipt of sixty eight thousand five hundred and forty five shillings (68, 545) from Invictus Prophetic Global on 9th February 2026.

On behalf of Hope Empower and Impact Community Based Organization, we appreciate your support. The funds are going to support tuition fees for twenty (20) vulnerable learners and sanitary pads for vulnerable girls who can hardly afford the most basic needs. Please find the receipt to acknowledge the funds received.

With your support the 20 vulnerable learners will be in school for sometime. They could be out of school now. But because of this support they can be in school meanwhile as we trust God for more funds to clear their tuition fees for the year. For girls who could not afford sanitary pads they can now be in school with high self-esteem and face each day with hope and confidence.

As a Community Based Organization, we look forward to a greater engagement with you. And I pray that you meet these children being supported next time you visit Kenya.

To God be the Glory. Your help is going a long way to shape the future of children in our communities. We pray for you all. May God bless you abundantly.

Yours faithfully.

Joseph W.
